- 16.Wind
- 17.Signal eject display
- 18.Manual wind display
- 19.Auto wind display
- 20.Time off display
- 21.Warm air
- 22.AUTO
- 23.FAN AUTO
- 24.LOCK
- 25.Time on display
- 26.Temperature display

How to install the batteries

1.Side open the battery compartment then insert two size AAA batteries.

2.Close the battery compartment(Signal symbol"Time and Code type"will show on the operation screen)

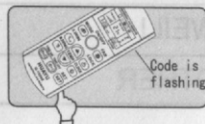

Setting up steps

A.Manual setup steps

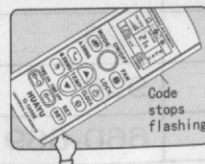

1. Manually plug-in the air conditioner,find the type of the air conditioner in the "Code Table",and find the first code, for example: "Haier"

品牌	代码
海尔	000-019

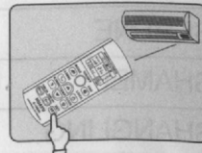

2. Hold"SET" button (for about three seconds)until the conditioner type code flickers in the window,press Temperature"▲"or"▼"buttons until the desired code flicker in the window. When the code is right, the air conditioner will start.

3. Press"SET" button and the selected conditioner type code will stop flickering.

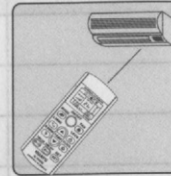

4. Test whether the remote control button has been effective set.If yes,setting completes.And if no, repeat steps 2-3.

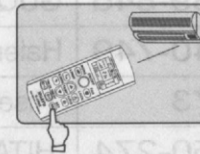

B.Auto-Searching steps:

1. Manually plug-in the air conditioner, aim the remotecontrol at the receiving window of the air conditioner

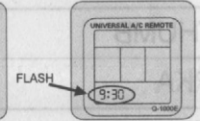

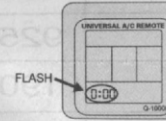

2. Hold "POWER" button(fou about six second)until the conditioner type code changes in the window ,indicating you have entered the high-speed conditioner type search status,press "any one" button to stop searching until the air conditioner automatically starts.

C. Clock setup steps

1. Press"clock"button for about 2 seconds.hour will flash then you can set by press "Temp▼" or "Temp▲".

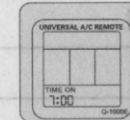

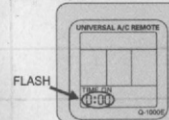

2. After setup the hour, press "clock" button again. minute will flash, press "Temp▲" or "Temp▼" to adjust.

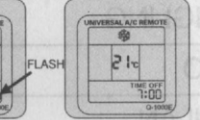

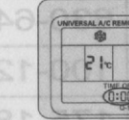

3. After setup the minute, press "clock" button once, setup is finished.

D. Time on/off setup steps

1. When the Air-conditioner stopped, you can use the "Time on" Press "time on" button once, time will flash, press "Temp▲" or "Temp▼" to adjust.

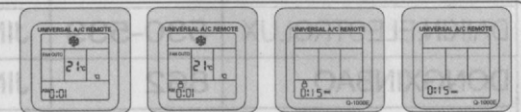

2. When the Air-conditioner playing, you can use the "Time off" Press "Time off" button once, time will flash, press "Temp▲" or "Temp▼" to adjust.

Note: When the time is setup to 00:00, which could close the Time on/off function.

E. Child Lock

Press "Lock" button for about 4 seconds, a lock icon will appear on the LCD, you can do nothing on the remote. To unlock,you need to press "Lock" button for about 4 seconds, the icon will disappear, you can do anything on the remote.

Special Instructions

- Ensure that your Air-conditioner receiver is working in order.If your Air-conditioner is not receiving it probably it will not be able to function by this remote control.
- Using the remote controller will not increase the functions of your Air-conditioner.For example;if your Air-conditioner does not have wind direction function,the wind direction button on this controller will not function with your Air-conditioner.
- Do not mix different type of batteries.
- If the electrolyte inside the battery compartment should leak,wipe the contaminated area of the battery compartment with a dry cloth and replace the old batteries with new ones.
- To prevent the electrolyte from leaking,remove the batteries when you plan not to use the controller for a long period of time.
